OUR DEEPEST FEAR

*Our deepest fear is not that we are inadequate.
Our deepest fear is that we are powerful beyond measure.*

*It is our light, not our darkness, that most frightens us.
We ask ourselves - "Who am I to be brilliant, gorgeous, talented, fabulous?" Actually, who are you not
to be?*

*You are a child of God.
Your playing small doesn't serve the world
There's nothing enlightened about shrinking so that other people won't feel insecure around you.*

*We are all meant to shine, as children do.
We were born to make manifest the glory of God that is within us. It's not just in some of us; it's in
everyone.*

*And as we let our own light shine
We unconsciously give other people permission to do the same*

As we're liberated from our own fear, our presence automatically liberates others.
